Frequency: 2 issues/ year
Current issue: Oct 2010
Editor-in-Chief: H. Hassoba

Dear valued colleagues

It is my pleasure to send you the contents of the current issue of the **Suez Canal University Medical Journal** (*The Official publication of Faculty of Medicine, Suez Canal University*) in its new format. We have started a process of renovation of the journal aiming to increase the frequency of publishing, expanding the journal editorial and reviewer boards, and upgrading the journal website. We aim for an average review period of 4 weeks from submission until reaching a final decision. Basic and clinical medical researchers are invited to submit their contributions to the journal. Submissions are accepted ONLY via e-mail scumedj@yahoo.com. For instruction for authors, please join us on facebook at: <https://www.facebook.com/SuezCanalUniversityMedicalJournalscuMj>

We are looking forward to your contribution to our journal.

Howayda Hassoba
Editor-in-Chief

Current issue contents
